TOURNAMENT RULES

1. This is a Doubles Tournament.
2. The tournament will be doubles (3) games only.
3. Sanctioned entrants will use their highest USBC sanctioned league average based on a minimum of 21 games of 2015-2016 season. If current average is 10 pins higher than last year's average as of date of the tournament, the current average must be used. If there is no average last year, use highest current average as of time of bowling (minimum of 21 games). Where there is no average, bowlers will bowl scratch (210).
4. All averages will be subject to rerating.
4. Handicap will be 80% of the difference between the team's combined average and 420.
5. Bowlers are responsible for verifying their own average, if any, whether submitted by the bowler or others. If the submitted average is lower than required and results in a lower classification or more handicap, the bowler's score is disqualified. If the submitted average is higher than required, prize winnings will be based on the submitted average.
6. All prize money will be returned 100% in prize list. Ratio of prizes shall not be less than 1 prize for each 5 entries.
7. NO-TAP - all 9 pin counts on first ball scored as a strike - all other leaves scored as usual.
8. Entry fees must accompany entry.
9. Upon request, bowlers will provide Average Verification, if any.
10. Automatic scorers will be used as the official score sheet. Bowlers will certify their scores as being correct at the completion of each game. This will be the only opportunity to correct any scoring error.
11. The decision of the Tournament Director shall be final unless an appeal is made.
